

Sluch

Floating the Sluch river (2 days)

Mysterious and picturesque Polissya...A land of great history and nature that still keeps so many secrets. Water is its essential attribute and beauty in the form of swamps, lakes and rivers, all shrouded by legends. People settled on their banks quite a long time ago and a significant part of Ukrainian history has been created here. The evidences of this are the remains of ancient settlements, castles and fortresses.

One of the most interesting routes through this land goes along the picturesque river Sluch. In its middle part the river crosses the Ukrainian crystalline shield. There are rapids where the river has the mountainous type and banks are in the form of beautiful granite rocks. A lot of marvelous places will share their history with you with the help of our guides.

Program

Day 1

Meeting at Novohrad-Volynsky.

Excursion.

Novohrad-Volynsky (visiting museum of a famous Ukrainian poet Lesya Ukrayinka).

Arrival to the river. Safety techniques instruction, training.
